For Volunteer sign up: We encourage all gymnasts to sign up for an appropriate job if they are eligible by age. A “runner” takes score cards to the scoring table and must be at least 8 years old. A “flasher” inputs scores into a laptop computer and must be 12 years or older. The Sign Up Genius which you will get by email this week is where you sign up for your required 3 volunteer slots per family and where you sign up gymnasts. **Gymnasts signed up to help do NOT count for your 3 volunteer slots for your family.** Check your email for that Sign Up Genius this week and complete that as soon as possible. We have the reputation of being one of the best meets in the state and we can't do it without YOU!
