Here is some important information regarding our competition team program. Please take the time to read this information and contact us if you have any questions regarding our team program. Team is by invitation only. We have a highly selective team process to select the best candidates for our Level 2-Level 10 teams. Gymnasts must have all their skills before moving to our teams.

Team Expectations:

- If you accept the invitation to be part of our team program, you are expected to attend all practices scheduled for your level. If you are unable to attend due to illness, school work, or family plans we do allow that on a limited basis; but, you must email us when you will be missing. We do not allow make ups for missed practices unless there are extenuating circumstances. Private lessons are sometimes available (for a fee) if you need to catch up on your gym training that you miss.
- Gymnasts are expected to be respectful and courteous to coaches teammates and competitors at all times
- You are expected to fulfill your financial obligations by deadlines
- You must join the Harford Gymnastics Parents Organization (HGPO) and fulfill your obligations with that non-profit group which fundraises & supports our additional team expenses (team banquet, special athlete clinics, team equipment, coaches travel and per diem, coaches training, etc.)
- All gymnasts must have a current Health Exam by a doctor on file EACH year.
